Balancing Spray Toner

Refresh Your Skin

Mist on this hydrating facial toner to create a smooth complexion and hydrated skin. The bouquet of botanical extracts in this toner help boost collagen, improve skin elasticity, and tighten the skin while supporting your skin's natural healing process.

This isn't your mother's Toner, it's *Mother-Nature's* Toner.

Most face toners seek to balance the pH of your skin, but we've raised the bar on what Pro-Age skin care looks like and know what your mature skin needs most, and so we've **harvested nature's best ingredients into this custom blended Balancing Toner.**

HOW TO APPLY

Step 1: After cleansing, on a dry face, close eyes and spritz 2-3 pumps.

Step 2: Allow to air dry.

Step 3: Follow with serum and/or Whipped Oxygen Moisturizing Cream.

Repeat morning and evening, or whenever your skin needs a refresh.

KEY INGREDIENTS

Sweet Williams Root - Sweet William helps to reduce discoloration from acne, eczema, psoriasis, and is even said to reduce dark under eye circles.

Aloe - Promotes healing or blemishes and damage with it's natural soothing and anti-inflammatory benefits which help calm irritation.

Sage - Improves your skin's appearance by stimulating cell renewal and increasing blood circulation.

Clary Sage - Suited to both oily and dry skin types, Clary Sage exhibits a cooling property that soothes inflamed skin and stabilizes the production of natural oil and sebum.

Calendula - Ideal for healing redness, acne and sunburns, Calendula has antiseptic properties, which are helpful for preventing acne and stimulates collagen production.
